

# CHRISTENSEN'S PLANT CENTER

## Wholesale Supplier To Landscape Professionals

## Winter.....hum!

Well that's Michigan - it's like a box of chocolates. I can't sympathize with those of you who expected a large snow fall or two; I enjoyed the weather by playing six rounds of golf in January and February.... IN MICHIGAN!

Now, what will Spring bring us?

Christensen's Plant Center will be here to get you started on the right brick paver path (visit the new Christensen's Hardscape Center across from the nursery).

We have plants of course, but did you know:

- We offer an assortment of contractor tools and fertilizers
- We stock seven different mulches
- Our topsoil is in a covered bin to keep it dry
- To watch for our spring special on Treflan
- We have Christensen's Premium Grass Seed Mixes
- Encap's Grass Seed Repair Kits (incl. seed, fert. & mulch)
- We have Easy Pro Chemicals to start up your ponds
- You can pick up M.N.L.A. Effective Landscape Books
- The new M.N.L.A. perennial books are due in April

See you soon!
