Excitement for 2014

Fall for me came several months ago. As many of you may know one of my primary jobs here is as purchaser of plant material. I had to order my fall stock back in July! (I have a large crystal ball!) Currently I am almost done with spring and heading to summer 2014.

So instead of talking about the doldrums of snow I am going to entice you with the excitement of the coming spring! I only get a small space so no descriptions, just names. This will also give you something to do on a cold snowy day!

Kim's list of excitement - in no particular order:

- Weigela 'Sonic Bloom' series and 'Shining Sensation'
- Buddleia 'CranRazz' and my new favorite 'Miss Molly' (not to mention: 'Blue Chip Jr.' and 'Pink Micro-Chip')
- Hydrangea arborescens 'Little Annie'
- Heucherella x 'Redstone Falls'
- Acer rubrum 'Red Pointe'
- Tradescantia x 'Blushing Bride'
- Sedum x 'Blue Pearl'
- Hellebore x 'Golden Lotus', x 'Peppermint Ice', and x 'Fluffy Ruffles'
- Dianthus "Early Bird" series
- Lilium 'Ladylike', 'Anika', 'Belonica', 'Elena'
- Iris pumila 'Candy Apple' and 'Petite Polka'
