Scenic Wheelbarrows

"My mulch is dumped in the front yard and it needs to go in the back yard."

Ten cu.ft wheelbarrows are great way to move large quantities, but they don't fit through the gate.

What do you do?

Solution: Scenic wheelbarrows are 10 cu. Ft.

- 800# load capacity
- American made by Amish Craftsmen
- Best of all are only 32" wide.

They are available with a wide "Turf Tire", Flat Free tire or standard tire. The heavy gauge tray and structural steel frame are built to last and come with a 10 year Warranty.
